LIABILITY

1. I can certify, to the best of my knowledge, that my pet is general good health and I have notified the staff of any pre-existing conditions requiring attention or medication. I will be responsible for payment of any medical bills if my pet needs veterinary attention while boarded.
2. My pets will not mix with any other pets, therefore the Furchester Lodge can not be held responsible for any pregnancies.
3. I understand that the staff may need to separate fighting animals and place them in separate accommodation/hutches for their safety. This may result in an extra £5 charge per night, but only if as a result of this the lodge is at full capacity.
